

## One-to-one Homework Help and Speaking Practice for A-Level Oral Exam

**Language:** French

**Time:** 90 mins

### Aims

#### **Main Aims**

- Student will consolidate knowledge from their school studies by producing a piece of homework that meets the requirements for their target grade
- Student will be better able to express their opinion about environmental issues in the contemporary context.

#### **Secondary Aims**

- Student will be better able to listen for gist and specific information

### Materials

- Small-talk topic strips in a cup
- Copy of Student's classwork and homework (shared with tutor in advance of the session)
- Tutor's notes
- Télé Matin clip on pollution in China: <https://www.youtube.com/watch?v=7NCgPIaBVQg>
- Worksheet for the clip above, including key vocabulary from the session
- Question-and-answer board game: *L'environnement* theme. Every square contains a different question on the theme of the environment, using key ideas and vocabulary studied in the session.
- Mini-whiteboard

### Lesson Stages

**T = Tutor**

**S = Student**

<u>Time</u>	<u>Detail</u>	<u>Aims</u>
<b>10 mins</b>	<b>Greetings routine</b> <ul style="list-style-type: none"><li>• T and S greet each other in French</li><li>• S and T take turns picking small-talk topics from the cup. They make a question from the topic and discuss briefly.</li></ul>	<ul style="list-style-type: none"><li>• To ease S into a French-speaking environment with a familiar activity</li><li>• To increase S's conversational confidence</li></ul>

<p><b><u>25 – 30 mins</u></b></p>	<p><b><u>Homework help</u></b></p> <ul style="list-style-type: none"> <li>• In French, T asks S to explain the homework task and share their progress so far</li> <li>• In French, T guides S through any improvements they feel should be made</li> </ul>	<ul style="list-style-type: none"> <li>• To maintain the French-speaking environment</li> <li>• To support S’s work in school and assist them in achieving at their target level</li> </ul>
<p><b><u>30 – 35 mins</u></b></p>	<ul style="list-style-type: none"> <li>• <b><u>Oral Exam prep</u></b></li> <li>• T shows S three questions related to the general theme of the video clip, which contain key vocabulary used in the clip.</li> <li>• S asks T the questions. T gives their answer and checks S’s understanding of key vocabulary</li> <li>• T asks S the questions</li> <li>• T gives S a set of questions to consider while watching the video clip. S reads the questions and T checks their understanding.</li> <li>• S watches the video clip twice and writes the answers to questions. After each showing, T checks S’s answers. If any questions remain unanswered, T plays the relevant part of the video again to isolate key words.</li> <li>• T and S play the question and answer board game. T notes down important errors.</li> </ul>	<ul style="list-style-type: none"> <li>• Starter questions introduce key vocabulary and concepts</li> <li>• T asking s the questions gives S thinking time and a model answer to support them before they have to speak</li> <li>• Clip provides S with practice of listening to ‘real’ French (it is from a French TV channel)</li> <li>• Worksheet provides a written record of language and themes tackled in the session</li> <li>• Re-playing short sections of the clip helps S to focus on key pronunciation features and vocabulary in order to improve S’s understanding of spoken French</li> <li>• Board game provides freer practice of the language studied in the lesson</li> </ul>
<p><b><u>15 mins</u></b></p>	<p><b><u>Feedback</u></b></p> <ul style="list-style-type: none"> <li>• T shows on S three key errors from the session S corrects the errors; T assists and discusses, using English if necessary.</li> <li>• T shows S three phrases/pieces of vocabulary that S used well (on screen/mini-whiteboard). T and S discuss how these could be used in other contexts, synonyms and antonyms, etc.</li> </ul>	<ul style="list-style-type: none"> <li>• To provide stress-free error correction</li> <li>• To finish the session on a positive note</li> </ul>
